This year the Baltimore Area Council has picked Carroll District to try out a new incentive Program. This program will be in addition to all other prizes programs offered through Campmaster's or Trail's End Prizes.

For any youth member that sells \$500 worth of Popcorn and for every \$500 increment they will receive one chance at winning a Wii Game System.

For each Cub Scout that Sells \$400 worth of popcorn they will earn a free week at Day Camp in 2009. For any Boy Scout or Venturer that sells \$400 worth of Popcorn they will earn a \$40 gift card to the Baltimore Scout Shop.

In regards to the free Day Camp Promotion each pack must still comply with the adult/scout ratio. Also the camp director reserves the right to place the Scout at the North or South Day Camp.
